

# Groups Guide – Adding a Group Photo

Website Version

## 1. Select *Group Actions* then *Edit group settings*

## 2. Choose File and Upload Photo

A screenshot of a web application interface for managing a group. The page has a blue header with tabs for "General", "When & Where", "Options", and "Admin". The main heading is "TRAINING Mens Group". Below this, there is a "General" section. In the "Photo" field, there is a "Choose File" button and the text "No file chosen". A red rectangular box highlights this area. Below the "Photo" field, there is a "Delete Photo" checkbox and a "Description" text area.
