

# Groups Guide – Helping Members Log In

Website Version

## If the Group Member does not have a login to CCB

Select Group Actions > Send participant logins

If any group member does not have a login, it will look like the above. Check the box next to members and click send.

The member will get an email instructing them to create a password. If they do not get the email, ask them to check their Spam Folder, verify CCB the correct email address.

## If the Group Member has a login to CCB but cannot log-in

Instruct them to go to [cor.ccbchurch.com](http://cor.ccbchurch.com) at click Forgot Password

If they still have trouble, email your campus coordinator.
