

# Blinky's Family Challenge

I'll show super-dee-deeper faith in God by ... *letting my faith seed grow!*

## Growing for God

A plant seed needs water and sunshine to grow. Your teeny-tiny faith seed needs you to obey God, read your Bible, and pray to grow! Then your faith will be so big and strong you can do great things for God!

### Directions

1. One person pretends to be a tiny seed.
2. Someone pretends to be rain and says a way to water the faith seed from the **Grow Your Faith** list.
3. Someone pretends to be the sun and shines. Say ways to get light for your faith from the **Grow Your Faith** list.
4. The seed pops open, grows, and pretends to be a big tree.
5. Switch roles and repeat.
