

Small Snack

When there's a problem, give God what you have. He can take what you give Him to take care of the problem!

You'll Need

• A snack that comes in small pieces (such as cereal, grapes, crackers, etc.)

Directions

- 1. Read **The Big Picnic** together on the Bible App for Kids, or read John 6:1-12 in the Bible.
- 2. Give everyone one or two pieces of snack food.
- 3. Talk about the following questions:
 - Will this little snack fill up our hungry tummies?
 - What did the boy do with his little lunch when everyone was hungry?
 - What happened when the boy gave his little lunch to Jesus?
- 4. Ask everyone to give their little snacks back, and give them a big snack in return.
