Hey Parents! This week, we began our series on the Fruit of the Spirit. Your child learned about love through the story of John who, by observing and following Jesus so closely, dedicated his life to sharing the love of Jesus with the world. Love is more than just a feeling. It is an action. In order to show the Fruit of the Spirit of love, we need to show people we love them through our actions. One of the best ways we can show love is by sharing the gospel with others. Take some time this week to go through these discussion questions with your child.

1. Who is someone who loves you?
2. How do you know they love you?
3. What is something you can do to show someone you love them?
