## PRAYER OF BLESSING

---

**May the great possibilities and potential of this New Year be realized in your life. May this year be a year of increased opportunities, expanded influence, exceptional growth and fulfilled desires.**

I pray that you will draw closer to God more than ever before. May you seek and find His will and wisdom in every part of your life. May you be delivered from every weight that has held you back or slowed you down.

**May the Word of God come alive in you. May you trust God more fully and open every part of your life to Him - spirit, soul, mind, body, time, treasures and talents. May you let go of everything that is restricting your spiritual joy and fruitfulness and take hold of God's purpose for your life.**

May you serve Jesus Christ with great power, passion, boldness, and courage. May you serve others with great love, compassion, kindness and generosity. May gratitude and praise fill your heart and overflow in your words, attitudes and actions. May you live obediently and reverently in relationship with God.

**May grace, strength, favor, holiness, wholeness, health and vitality abound in you and flow through you. May you live this year with a sense of divine destiny and direction. May you be lifted out of every pit that has incarcerated you. May your feet be planted on the solid rock of confident faith in your good and faithful Heavenly Father and Mighty God. May you be freed from every chain and evil force by the name, blood and power of Jesus Christ.**

May hope in God fill your heart to overflowing. May Jesus Christ be honored in all you are and do in 2019.

**IN JESUS' NAME. AMEN!**
